

## ADOPT YOUR OWN PLAY!

At Playwrights Foundation we're all about playwrights...but at year-end we make a special appeal to help us nurture their young plays. Yes, **YOU** can **ADOPT A PLAY**. Join us in helping to raise a future work — and have all the fun of seeing it grow.

All of our **ADOPT A PLAY** supporters will receive this year's list of playwrights — Family Member-level donations will get to select a play to sponsor, and the Immediate Family receives even more. You can even get Full Custody — including travel to see the first production anywhere in the U.S. and/or a private reading of your play for your own family and friends — tailored to create a unique and memorable bond with your literary “darling.”

## YOUR INVESTMENT IN THE FUTURE!

A donation to Playwrights Foundation is an investment in the future of theater! At Playwrights Foundation, 85% of the annual operating budget is spent on programs and services to playwrights.

Funds from individual donors are especially important in fueling the next generation of playwrights and their work. Thank you for believing in the importance of new stories and voices!
